PROFESSIONAL SUMMARY

Aspiring Software Development Engineer and current B.Tech student with strong fundamentals in Data Structures and Algorithms (100+ LeetCode, 100+ GFG problems solved). Experienced in building responsive web architectures with Tailwind CSS and React.js, and designing robust backend services with Node.js and MongoDB. A competitive participant in hackathons like Code Frost, dedicated to delivering scalable, user-centric ed-tech and real-time tracking solutions.

TECHNICAL SKILLS

- **Web Development:** React.js, Node.js, Express.js, Tailwind CSS, HTML5, CSS3
- **Databases & APIs:** MongoDB, RESTful APIs, Google Maps API
- **Programming:** C++ (OOP), JavaScript, MATLAB
- **Hardware & IoT:** ESP32, NEO-6M GPS Modules, Arduino, IR/PIR Sensors
- **Tools:** Git/GitHub, Postman, Tome AI

PROJECTS

Where is my bus – Real-Time Bus Tracking System | *Aug 2025 – Oct 2025*

- Built a real-time tracking system integrating ESP32 and NEO-M8 GPS modules to stream live location data.
- Developed an interactive frontend using React.js and Tailwind CSS with Google Maps API for live route visualization.
- Designed and implemented RESTful APIs using Node.js, Express.js, and MongoDB to manage real-time data flow.

GrowUp – EdTech Platform | *Feb 2026 – Present*

- Conceptualized and designed the brand identity and UI/UX for a modern educational technology platform.
- Developing the frontend architecture focusing on user-centric design and responsive layouts.

ACHIEVEMENTS & HACKATHONS

- Competitive Programming: Solved 100+ problems on LeetCode and 100+ problems on GeeksforGeeks, focusing on Data Structures and Algorithms (DSA).
- Code Frost Hackathon: Built a functional prototype as part of a team, applying full-stack development concepts and competitive problem-solving.
- Educ-A-Thon: Developed an education-based solution focusing on usability, scalability, and practical implementation.

EDUCATION

Bachelor of Technology (B.Tech) *B. P. Poddar Institute of Management and Technology*
CGPA: 6.9 (till 5th semester)
Higher Secondary (Class XII) | *2020 Moula Netaji Vidhalay* | *WBCHSE* | 74%
Secondary (Class X) | *2018 Khurigachi High School* | *WBBSE* | 63%

ADDITIONAL INFORMATION

- **Languages:** English, Bengali, Hindi
- **Interests:** IoT Innovation, Open Source Contribution,
